BACHELORS IN TECHNOLOGY

Guru Tegh Bahadur Institue of Technology
GPA: 7.0   Aug 2017 - July 2021

PROFESSIONAL EXPERIENCE

Mphasis   Pune, India
Web Developer   Feb 2022 - June 2023

- Developed dynamic and user-friendly interfaces using React.js, leveraging modern JavaScript frameworks to enhance user experience
- Collaborated closely with cross-functional design teams to implement visually appealing and highly responsive web applications, ensuring seamless integration of UI/UX elements
- Implemented comprehensive state management solutions using Redux for complex applications, maintaining a consistent and reliable data flow throughout the application
- Seamlessly integrated frontend components with backend logic, working alongside backend developers to ensure efficient data retrieval and manipulation.
- Committed to writing reusable and efficient code, following best practices to ensure the scalability, maintainability, and optimal performance of web applications.

SKILLS

Programming Language:	JavaScript, Java
Frameworks/Libraries:	React, Tailwind CSS
Database Management:	SQL
Version Control:	Git/GitHub.
Languages/Technologies:	HTML, CSS
State management Tool:	Redux

PROJECTS

Food Delivery Web App *React, Redux, Tailwind Css, Parcel* https://github.com/yogi04-ait/food-delivery
Engineered a dynamic and user-friendly food delivery platform using React, Tailwind CSS, and Parcel. Seamlessly integrated live Swiggy APIs, demonstrating my expertise in web development, API integration, and creating intuitive user interfaces.

Urban Hive: An E-Commerce Web App *React, Redux, Tailwind Css*
https://github.com/yogi04-ait/urbanhive-ecommerceapplication
Developed a fully responsive eCommerce clothing platform with React, Tailwind CSS, and Redux, ensuring a seamless user experience and robust security. Implemented personalized recommendations and a secure payment gateway. Currently enhancing the app with social media integration and an expanded product offering, continually improving the user experience.

POSITIONS OF RESPONSIBILITY

Executive Member, Cultural Club, Guru Tegh Bahadur Institute of Technology
Played a key role in organizing and managing cultural events, including the annual fest and various inter-college competitions. Led initiatives to enhance student engagement and foster a vibrant campus culture.   May 2020 - May 2021

Workshop Attendee, Advanced Web Development, Guru Tegh Bahadur Institute of Technology
Attended a comprehensive workshop on advanced web development techniques, gaining hands-on experience with modern web technologies and frameworks. Enhanced my proficiency in React.js, Redux, and Tailwind CSS through practical projects and collaborative learning.   Jan 2020
